Program Description

The Paramedic Program is composed of three levels of training and certification. The three levels are: Emergency Medical Technician Basic (EMT B), Emergency Medical Technician Intermediate (EMT I), and Emergency Medical Technician Paramedic (EMT P).

The courses are developed in a ladder sequence. The EMT B courses are offered as needed at various locations. The EMT I courses are offered yearly, and EMT P courses are offered as needed. The courses are offered evenings and weekends. All levels require completion of clinical experience. The EMT I and EMT P courses require completion of field experience with an advanced emergency medical service.
