## ADMISSIONS

Students begin the admissions process by contacting the Admissions Office located on the second floor of the Activity Center. Office hours are 7:45 a.m. to 4:15 p.m. Monday through Friday and by appointment. Special visitation days are held periodically throughout the year. For more information, call 641-422-4245 or 1-888-GO NIACC, Extension 4245.

### Applying to the College

North Iowa Area Community College is an “open door” public two-year college. Generally, you will not encounter any problems in being admitted, but you must complete certain admissions steps. (Please note that admission to the College does not ensure admission to all programs offered.)

*All application materials are to be submitted to the Admissions Office, North Iowa Area Community College 500 College Drive, Mason City, Iowa 50401. You may also complete an online application.*

1. Carefully complete the NIACC Application for Admission. Your registration date will be established according to the date your application is received. Note that your social security number and intended major or program are required on the application.
2. Submit your high school transcript or GED scores. (If you do not have your high school diploma or equivalent, contact the College to find out how we can help you earn one.) Upon graduation you should submit a final transcript.
3. An assessment of your skills and abilities is required as part of the registration process. You may either submit your American College Test (ACT) scores or complete the COMPASS assessment at NIACC. COMPASS assessment is provided in Hampton, Charles City, Lake Mills, and Garner on a regular basis.
4. If you have earned credits at another college, have your transcript(s) forwarded to NIACC.

Note: Students applying for the Associate Degree Nursing, Practical Nursing, LPN to ADN, Medical Lab Technician, Physical Therapist Assistant or Information Systems Technology Programs need to complete a specific packet of application materials available from the Student Services Office in the Administration Building, Room 104. Please call 641-422-4207 or 1-888-GO NIACC, Ext. 4207, for more information.

When your admissions folder is complete, the College will send you an official letter of acceptance.

High school students may enroll in both high school and college classes provided your high school has knowledge of this concurrent enrollment. Whether these courses receive high school credit is entirely at the discretion of the high school administration. Post-secondary Enrollment Options (PSEO) classes are another option for top high school juniors and seniors (ask your high school counselor for more information.)

### Orientation

All new and transfer students who are entering NIACC for the first time and who intend to take day classes are required to attend a new student orientation. During orientation students learn about NIACC policies and procedures, academic requirements, faculty expectations, and are given information about financing their education, student housing, and student activities. Students will also learn about how to adapt to their new college environment.

### International Students

International students who desire admission are sent an international student admission packet. A TOEFL score of 520 is required as evidence of command of the English language to profit from the curriculum. Also evidence of adequate financial resources is required of all international students. All required documents must be returned with the \$50 application fee before issuance of Forms I-20A and B (Immigration Certificate of Acceptance).

## COUNSELING

### Where and when are counselors available?

A counselor is available from 7:45 a.m. to 6:30 p.m. Monday through Thursday; and on Friday from 7:45 a.m. to 4:15 p.m. The Counseling Center is located in the Administration Building, Room 104.

### Who may use the Counseling Center?

The counseling/advising service is available to all NIACC students. There is no charge for this service.

### How do I make my first contact with the Counseling Center?

Since the services of the Counseling Center are offered to you on a voluntary basis, you may arrange for an appointment whenever you have something you wish to discuss with a counselor. However, should you feel the need to see a counselor immediately, feel free to come to the Counseling Center without an appointment. Arrangements for an appointment with a counselor are made with the secretary at the center during regular office hours or by calling 422-4207.

### How does counseling work?

Your counselor's job is to help you gain a better understanding of the significance of your feelings, attitudes, aptitudes and other personal data in order for you to have a more realistic basis upon which to make your own decisions. The ultimate goal is to help you grow in self-understanding so that you can cope better with your immediate situation and any problems that may arise.

### **Academic Advising**

When you register, you are assigned a counselor/advisor according to your major. Most students continue to work with this counselor/advisor; however, changes may be made.

Every effort is made to ensure the accuracy of information given in the curriculum section of the catalog, and academic advisors advise students to the best of their abilities. IT IS, nevertheless, THE RESPONSIBILITY OF THE STUDENT TO BE CERTAIN THAT THE COURSES SELECTED WILL MEET THE REQUIREMENTS FOR THE DEGREE SOUGHT. Students should correspond with the transfer college and obtain verification of their complete program at North Iowa Area Community College.

### **Student Support Services**

Student Support Services is a federally funded grant project which helps eligible students stay in college and graduate. The Project offers counseling, tutoring, a college survival skills orientation course, career exploration, transfer assistance, and cultural awareness.

Recipients of these services must be citizens or legal residents of the United States who are currently enrolled in a credit program. Participants must meet at least one of the following eligibility requirements: first

generation student, low income, and/or physically handicapped/learning disability. Students interested in these services should call 641-422-4105, or 1-888-GO NIACC, Extension 4105, or stop at the Student Services Office in the Administration Building.

### **Special Needs**

NIACC endeavors to provide reasonable accommodations for students requiring special services. When students become 18 years old, they are legally their own advocates. As self-advocates, students with disabilities are expected to negotiate accommodations individually with faculty and staff. However, counselors will assist students with special needs to become self-advocates. The counselor works with students, administrators, faculty, and support staff to insure that students who are disadvantaged or have disabilities receive full benefits of NIACC Services. Persons in need of supportive services should contact the Counseling Center.

The student must submit a request for accommodation to their counselor. This request should describe the requested accommodation. The student is responsible for providing documentation of the disability. A request form is available from the counselor.

### **Vocational Rehabilitation Services**

Rehabilitation services are available to eligible students attending NIACC. These may include medical and psychological assessment, vocational evaluation, counseling and guidance, assistive technology, job training, and job placement assistance.

You may receive more information by calling 422-4227 or by stopping by the Administration Building, Room 104K.

### **Substance Abuse Prevention and Referral**

NIACC recognizes drug abuse as a potential health, safety, and security problem. Students needing help in dealing with such problems are encouraged to seek assistance from our college professional counselors and utilize the resources made available through the campus and the community.

### **BACCHUS**

Boost Alcohol Consciousness Concerning the Health of University Students (BACCHUS) is a student club which promotes developing responsible habits, attitudes and lifestyles regarding alcohol and related issues. As a member of BACCHUS, your activities might include National Awareness Week, Red Ribbon Campaign, and peer education. You may also earn college credit. Contact Jonnie Webster, Counselor, for more information.

Informational brochures are available in the Student Services Office, the Activity Center, the Independent Study Lab, and in our housing facilities.

College Policy

The unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in college premises or while representing the college off campus is absolutely prohibited. Violations of this policy will result in disciplinary action, up to and including expulsion, and may have legal consequences. (See page 211.)

State Law

*According to Iowa law anyone under 21 who is caught driving with a blood alcohol content of .02 or more will lose their driver's license or permit for up to 60 days. Temporary driving permits for school, work, or any reason, will not be allowed during the suspension period. Realize that .02 is a very small amount — as little as one beer or drink.*

**Student Health**

Campus Health Services

Health services are available for students every Wednesday during the fall and spring semesters from 1-4 p.m. in the OK House (excluding breaks). Services are provided through the Mason City Clinic, Cerro Gordo Department of Public Health, and North Iowa Area Community College. The cost is \$20.00 for an examination and \$10.00 for consultation. HIV testing and counseling are free. An appointment is recommended and may be made through the Counseling Center.

Accident and Health Insurance

The purchase of student health insurance is voluntary at NIACC. Brochures identifying several plans are available in the Student Services Office. Uninsured students, or students enrolled in courses or activities where potentially hazardous situations may occur are encouraged to obtain health/accident insurance. Medical costs for treatment of illness or accident, not covered by personal insurance, must be paid by the individual student.

Emergencies

A referral will be made to a local medical facility when a student requires immediate medical attention. The student and parent will be responsible for the payment of such services.

FAMILY HEALTH LINE (formerly ASK-A-NURSE)

422-7777 or 1-800-468-0050

This is a community service which is offered 24 hours a day, 7 days a week and is staffed by an RN. The following services are provided: health information, physician referrals, community services and hospital services referrals.

**Crime Awareness and Campus Security**

The Student Right-to-Know and Campus Security Act (PL 101-542) requires colleges and universities whose students receive federal student aid to disclose and report program completion and graduation rates for students, for student athletes, and maintain certain campus security policies and campus crime information.

The following statistics, provided in compliance with the Federal Crime Awareness and Campus Security Act of 1990, are for your information. The first six statistics reflect the number of crimes reported on campus. The last three statistics reflect the number of arrests associated with each respective offense. If you have questions, contact the Vice President for Student Services.

Reporting Crimes

Students are encouraged to report all criminal incidents and/or suspicious activity to the Mason City Police Department. Any crime on campus or violation of the Student Conduct Code should be reported to the Vice President for Student Services.

**Sexual Abuse and Sexual Harassment**

The following policies, procedures, and guidelines may be applied to incidents of sexual abuse and sexual harassment. Sexual abuse is defined as sexual contact with an individual who is either unwilling or unable to consent to the sexual contact. Sexual harassment consists of unwelcome actions or language of a sexual nature which is affecting work or academic-related decisions or creates a hostile working or academic environment.

Members of the counseling staff understand the personal and potentially traumatic nature of these incidents and are available to provide students with support, information, and guidance in responding to incidents involving sexual abuse or sexual harassment.

**What to do if you are sexually abused**

There are a variety of options available to students who are sexually abused. Listed below are several options students may choose when attempting to resolve some of the issues associated with a sexual assault. An individual may select all of these options, or he/she may select none of them. One important component of recovery after a sexual assault is talking about the incident, and each person must choose the avenue that is best for him/her.

1. Contact the police immediately. Dial 9-911 from a campus extension phone or 911 from any other phone. Even if a person is unsure whether or not he/she wishes to file criminal charges, reporting the

incident to the police helps maintain available options by preserving important evidence. An individual should not wash, douche, or shower following an assault because it could destroy evidence. Members of the counseling staff are available to assist students throughout this process.

2. Contact a trained sexual assault advocate. Advocates are available through the Sexual Assault Center and may be contacted by the police, emergency room personnel or directly through their answering service at 424-7433. Advocates are available 24-hours each day, and may provide valuable support and information.
3. Contact the Mental Health Center of North Iowa. Professional counselors are an invaluable resource in surviving a sexual assault. Counselors can provide immediate as well as long-term support and may be contacted at 424-2075.
4. Report the crime to the Vice President for Student Services. He/she can provide information about on-campus counseling services and campus disciplinary systems. The NIACC campus discipline system may be utilized for incidents where the parties involved are NIACC students. (See page 207.)

Sexual assault prevention programs are sponsored annually on the NIACC campus with the goal of promoting safe, healthy, non-violent relationships. Educational information is presented at New Student Orientation, during residence hall programs and at campus-wide informational sessions.

## Sexual Harassment

### Introduction

As an educational institution, the College serves as a model agency in the community. Sexual harassment subverts the mission of the College, threatens the well-being of students, faculty and staff, and will not be tolerated.

Staff in positions of authority need to be sensitive to the potential for conflicts of interest in personal relationships with students or subordinate employees. When significant disparities in age or authority are present between two individuals, questions about professional responsibility and the mutuality of consent to a personal relationship may well arise.

### Definition of Sexual Harassment

The Equal Employment Opportunity Commission characterizes sexual harassment as "unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature." Such behavior is illegal when:

- A. Submission to such conduct is made either explicitly or implicitly a term of condition of status as a student or employee;
- B. Submission to or rejection of such conduct by an individual is used as the basis for decisions affecting

such individual's employment or academic progress; or

- C. Such conduct has the purpose or effect of unreasonably interfering with an individual's work or academic performance or creating an intimidating, hostile, or offensive working or academic environment.

Sexual harassment can also take place between peers. Any time questionable behavior takes place, whether during work, class, or other college functions, it should be reported.

Sexual harassment takes many forms, for example:

- repeated and unwanted staring, comments, or propositions of a sexual nature
- subtle pressure for sexual activity
- sexist remarks about a person's clothing, body, or sexual activities
- unnecessary touching, patting, hugging, or brushing against a person's body
- direct or implied threats that submission to sexual advances will be a condition of employment, work status, grades, or letters of recommendation
- physical assault

### Policy

A. Because staff and students at North Iowa Area Community College have a right to be free from sexual harassment by colleagues, supervisors, or instructors, the College does not condone actions or words which a reasonable person would regard as sexually harassing or coercive. This means that the following behaviors will not be tolerated:

1. Abusing the dignity of an employee or student through insulting or degrading sexual remarks or conduct;
2. Threats, demands, or suggestions that an employee's work status or a student's academic progress is contingent upon his/her toleration of or acquiescence to sexual advances.

B. The relationship between faculty and students is central to the mission of the College. It is essential to establish that the standard of expected conduct in that relationship goes beyond the normal description against sexual harassment. What might appear to be consensual, even to the parties involved, may in fact not be so. Recent court cases tend to support this view.

Faculty members exercise power over students, whether in giving them praise or criticism, evaluating them, making recommendations for their further studies or their future employment, or conferring any other benefits on them.

Therefore, the College will view it as unethical and inappropriate if faculty members engage in amorous relations with students enrolled in their classes or subject to their supervision, even when both parties appear to have consented to the relationship. Exceptions might be previous and ongoing relationships, such as husband and wife.

C. Education efforts are essential to the establishment of a campus environment that is as free as possible of sexual harassment and in which highest standards of conduct in consensual relationships are observed. There are at least four goals to be achieved through education:

1. Ensuring that all victims (and potential victims) are aware of their rights.
2. Notifying individuals of conduct that is prohibited.
3. Informing administrators about the proper way to address complaints of violations of this policy.
4. Helping educate the insensitive about the problems this policy addresses.

#### Courses of Action

- A. Students who feel that they have been the subjects of such harassment should advise the Vice President for Student Services.
- B. Staff members should advise their immediate supervisor, the Director of Human Resources, or the Vice President for Administrative Services.
- C. When informed or made aware of a possible harassment situation, the President will conduct an investigation utilizing the procedures outlined in the guidelines for "Handling Complaints Regarding Employees."

## FINANCIAL AID AND SCHOLARSHIPS

### FEDERAL AND STATE FINANCIAL AID

North Iowa Area Community College provides financial assistance in the form of grants, scholarships, loans, and part-time employment (work study) to meet educational expenses. Most of the assistance requires that the student demonstrate financial need. Students apply for financial aid by completing the Free Application for Federal Student Aid (FAFSA).

The FAFSA application may be completed anytime throughout the academic year. However, NIACC must have a valid federal output document (Student Aid Report) on file by the last day of your enrollment, or by August 31, following the end of the award year, whichever is earlier.

Applications received at the Federal Processing Center by March 1 will be given priority consideration for financial aid.

To be eligible for financial assistance, a student must meet the following eligibility criteria:

1. Have a high school diploma or GED or have passed an independently administered ability to benefit test.
2. Be a U.S. citizen or eligible noncitizen.
3. Be enrolled as a regular student in an eligible program of study for the purpose of obtaining a degree.
4. Be registered with Selective Service, if required (most males from age 18-25).
5. Maintain Satisfactory Academic Progress.
6. Not owe a refund on a Federal grant or be in default of a Federal educational loan.

Eligibility for this tuition assistance program is determined by the Adjutant General of Iowa and funding for the program is determined on an annual basis by the Iowa General Assembly.

Individuals must submit an application to their Unit Commander to apply for this program. The Adjutant General determines eligibility and then notifies the Iowa College Student Aid Commission (ICSAC) of approved applications. The College is notified by the Iowa College Student Aid Commission of the student's eligibility.

### WORK STUDY

Students will earn \$5.75 per hour. Students must complete the I-9 and W-4 payroll forms before they are allowed to begin employment. These forms can be completed at the NIACC Business Office. Students must complete a work study authorization before employment. This authorization allows NIACC to apply their earnings toward their college account. When the account is paid in full, the earnings will be released to the student at the address they provide. Students can choose to cancel their authorization; however, if they owe a NIACC bill, the check will be held in the Business Office until the debt is paid in full.

Students that borrow federal loans will be required to complete an Entrance Counseling session prior to any disbursements. This federal requirement can be completed by attending an Entrance Counseling session with a Financial Aid officer, viewing the Department of Education’s entrance video in the Independent Study Lab, or completing the requirement on-line at [www.ed.gov/DirectLoan/counsel](http://www.ed.gov/DirectLoan/counsel). Upon completion of one of these sessions, the student must submit the Rights and Responsibilities checklist to the Financial Aid Office. When students have completed their degree requirements or drop below half-time status, they are required to complete an Exit Counseling session. Students can attend an Exit session in one of the same three ways as the entrance requirement. They will learn about the importance of repaying student loan obligations and the consequences they may face if they default on a Federal student loan. Repayment schedules and options will be explained to each student. For more information on the Federal student loan programs, you can visit their Internet site: [www.ed.gov/DirectLoan](http://www.ed.gov/DirectLoan).

**Method and Frequency of Disbursing Financial Aid Disbursements**

Upon receipt of the student’s award letter and loan acceptance (if applicable), the financial aid will be transmitted to the Business Office and applied to the student’s bill. The student’s award letter will tell them when this approximately takes place. Any payment due the student, after payment of tuition and fees (and dorm charges, if applicable), will be released to the student as scheduled by the Business Office. The first release of excess funds is usually two weeks after the beginning of the semester, and approximately every two weeks thereafter for aid finalized after the semester begins. NOTE: If students are first time loan borrowers, there is a Federal mandatory 30-day waiting period before funds can be released to students.

For additional information regarding application procedures, deadlines, financial need, and resources available, call the NIACC Financial Aid Office, 1-888-GO NIACC, Ext. 4168 or (641) 422-4168.

**Other Scholarships and Loans**

NIACC students are encouraged to seek out local groups which work independently to provide scholarships to NIACC.

Those wanting financial aid in the form of grants, loans, and employment should seek the assistance of the Financial Aid Office and Employment and Career Services Office. (Short-term emergency loans are made available by the Financial Aid Office from the Louis Bosveld Student Loan Fund.)

**VETERANS' EDUCATIONAL BENEFITS**

Current courses for college transfer and most career programs are approved for veterans' benefits. Generally those veterans who have been released from active duty fewer than 10 years ago under honorable conditions and who have served 181 days or more of continuous active duty are eligible. For further information contact the NIACC Veterans' Affairs Office in the Administration Building, Room 104.

**SATISFACTORY PROGRESS FOR FINANCIAL AID RECIPIENTS**

Federal regulations require that students maintain satisfactory progress while pursuing their educational course of study in order to receive financial aid. Students who apply for financial aid will have their academic records reviewed each semester to determine if satisfactory progress is being made according to the following guidelines:

- A. Full-time students enrolled in a four-semester program of study are allowed no more than six full-time equivalent semesters to attain an associate degree (whether or not aid is actually received during that time). Should a program require summer attendance, an appropriate proportion will be added.
- B. Full-time students enrolled in a two-semester program of study are allowed no more than three full-time equivalent semesters to attain a diploma (whether or not aid is actually received during that time). Should a program require summer attendance, an appropriate proportion will be added.
- C. Part-time students will be given proportionally longer to attain their degree.

In order to maintain satisfactory progress the following will apply:

A student enrolled full-time (registered for 12 or more credits) must complete ten credit hours per semester with a minimum cumulative GPA of 2.00.

A student enrolled three-quarter time (9-10-11 credit hours) must complete 7 credit hours per semester with a minimum cumulative GPA of 2.00.

A student enrolled half-time (6-7-8 credit hours) must complete 5 credit hours per semester with a minimum cumulative GPA of 2.00.

A student enrolled less than half-time will be expected to complete all course work attempted with a minimum GPA of 2.00.

Letter grades of I, N, W, Q, and F do not count toward completed credit.

Remedial courses and repeated courses may be used as part of the student's load. However, maximum time frames still govern satisfactory progress.

Transfer credits will apply toward the maximum number of terms to attain a degree.

**Probation**

Any student failing to meet these standards will be placed on Financial Aid Probation.

**Cancellation of Eligibility**

Any student on Financial Aid Probation will have one semester to bring their course work up to minimum standards. A student failing to attain these standards by the end of the probationary semester will be terminated from further financial aid.

**Reinstatement**

To regain eligibility for financial aid, the student will have to bring their course work up to minimum standards at their own expense. It is the responsibility of the student to notify the Financial Aid Office that their course work meets minimum standards. A student may also submit a written appeal documenting mitigating circumstances (ex: withdrawal because of illness) that prevented him/her from meeting minimum standards. Appeals will be reviewed by the Vice President for Student Services and a written response will be communicated to the student.

**Title IV Financial Aid Class Attendance Policy**

Students receiving Federal financial aid **MUST** attend class on a regular basis **AND** make satisfactory academic progress. If you fail to attend class on a regular basis, your financial aid will be suspended. Federal repayment and/or refund calculations of financial aid will be based on your last documented date of class attendance as provided by your instructor(s). If you get Federal student aid, **and you do not attend class**, you will have to pay it back.

# REGISTRATION AND RECORDS

## REGISTRATION PROCESS

### Registration

Registration consists of: (1) student selecting appropriate courses, (2) program planning with an academic advisor, and (3) payment of tuition and fees to the college. All steps must be taken before registration is complete.

Registration information for credit courses is included in the Adult and Continuing Education Bulletin mailed to all households in the NIACC area in August and December. For further information please call the Admissions Office at 1-888-GO NIACC, Ext. 4245.

Semester course schedules are available in the Student Services Office as soon as they are released by the Vice President for Academic Affairs Office.

### Wait List Policy

If a student is placed on a course wait list by the Records Office at the time of their registration, they will remain on the wait list through the Wednesday before classes begin or such time that an opening occurs. If an opening does occur, the first person on the wait list will automatically be entered into the course. A new schedule and billing statement reflecting the change will be sent to the student. After the Wednesday preceding the term start date the wait lists will no longer be in effect. All wait lists will be dropped at that time. It will be the responsibility of the student, if still interested in enrolling in a class that was previously closed, to inquire at the Records Office as to the status of the class.

### Auditing a Class

Students who wish to audit classes may do so on a space-available basis after classes begin with instructor approval. The student must meet the attendance requirements in a course but is not required to complete assignments, take examinations, or meet other class requirements. The charge for an audited class is one-half tuition cost per semester.

## CHANGES IN REGISTRATION

### Changes in Registration

Students should plan their academic programs carefully so that subsequent changes may be kept to a minimum. When necessary, changes may be made by consulting with a counselor or advisor and securing a "Schedule Change Request" card.

### **FAILURE TO ATTEND CLASS, ONCE REGISTERED, DOES NOT CANCEL REGISTRATION IN ANY CLASS OR CLASSES.**

Failure to change registration except according to the above procedure will result in a grade of "F" recorded on the permanent record of that student.

A notation of "W" (withdrew) will be made on the student's permanent record if he/she officially withdraws prior to the published withdrawal date on the college calendar.

### Adding/Dropping Course(s)

**Adding a Course:** Students who wish to add a course to their schedule must complete a Schedule Change Request form which is available from the Counseling Center. This must be completed within the first five days of scheduled classes or before the second meeting of an evening class.

**Dropping a Course:** Faculty signature(s) will be required for all credit courses dropped after the first week. The last day to drop a course will be the two-thirds point of the term.

Any change initiated by the student to drop a course, add a course, or change a course section, beginning the first day of the term will incur a \$5 charge per schedule card.

### **Withdrawal from College**

A student who finds it necessary to withdraw from college before the end of the regular term should complete a student withdrawal form with assistance from a counselor/advisor and submit to the Record's Office. The last day for total withdrawal from all classes will be the two-thirds point of the term. Failure to do so may result in the issuance of failing grades in all subjects for which the student is registered. If it is impossible for the student to come to the college to withdraw, this may be done by mail and must include the student's last day of attendance.

### **IT SHOULD BE NOTED THAT REFUNDS (WHERE APPLICABLE) ARE BASED UPON THE DATE OF OFFICIAL WITHDRAWAL, NOT UPON THE LAST DATE OF CLASS ATTENDANCE.**

Withdrawal from college cancels registration in all classes. There is no credit given for partial course work.

## PAYMENT PLANS/POLICIES

### One Payment Plan Per Semester

Pay each semester's charges in full. Fall semester bill will be sent in July and is due in full August 18, 2000. Spring semester bill will be sent in December and is due in full January 5, 2001.

### Four Payment Plan Per Semester

Pay each semester's charges in four monthly installments. Fall semester bill will be sent in July with equal payments due August 18, September 18, October 18, and November 17. Spring semester bill will be sent in December with equal payments due January 5, February 5, March 5, and April 5. A 1% interest charge is assessed each month on the unpaid balance.

### Extended Payment Plan

Pay fall and spring charges in 12 monthly installments beginning May 15; June 15 for the 11-month plan; or July 15 for the 10-month plan; ending April 15. A \$40 enrollment fee is due with the first monthly payment. If payments are received on time there is no interest or other charges. Payments will be deducted from your bank account. Application and COMPLETED FAFSA or SAR are required. Please contact the Business Office to obtain an application.

Failure to make payment (or file for financial aid) prior to the beginning of the semester may result in cancellation of your schedule (August 18 for the Fall Term and January 5 for the Spring Term). Reinstatement is possible when payment is made and if the courses are still available. A \$25.00 re-enrollment fee will be assessed. If no payment has been made either directly or through financial aid by the 14th day of the semester, you will be administratively withdrawn from classes and are subject to dismissal from NIACC Housing.

If the student chooses not to attend or is unable to attend College, he/she must notify the Records Office in writing prior to the term start date. The student is held liable for tuition and fee charges should he/she fail to notify the Records Office in writing prior to the term start date.

All financial obligations must be cleared before 1) a student will be allowed to register for a subsequent term; 2) the student's academic transcript will be released.

**TUITION AND FEES**

**Tuition**

Tuition for attendance in any program is based upon two factors:

1. Number of credit hours for which the student enrolls.
2. Legal residence of the student.
  - a) Iowa and Minnesota residents pay at the rate of 100 percent.
  - b) Non-Iowa residents pay at the rate of 150 percent of the Iowa resident tuition rate.
  - c) Individuals 62 years of age and over pay one-half tuition and all fees.

The following tuition schedule is effective for all registrations occurring after June 30, 2000, and is subject to change or modification.

formally withdraw (complete the necessary forms with a  
counselor/advisor and submit to the Records Office) to  
terminate their registration. Tuition/fee adjustments are  
made for withdrawals according to the following sched-  
ule:

**16 Week Term Refund**

The same refund schedule will apply for individual  
courses that are dropped. The amount of refund will be  
the appropriate percentage between the tuition/fees  
charged for the new credit enrollment and the amount  
charged for the original credit enrollment.

THERE WILL BE NO REFUNDS ON THE RECORDS  
FEE FOR COURSES/ TERMS UNDER 3 ½ WEEKS IN  
LENGTH.

**TITLE IV RECIPIENTS  
REFUND AND REPAYMENT POLICY**

The refund schedule for recipients of Title IV Financial  
Aid will be calculated in accordance with Public Law  
105-244, The Higher Education Amendments of 1998.

The law requires that if a student receives financial aid  
and withdraws from school during the payment period  
or period of enrollment in which the recipient began at-  
tendance, the school must calculate the amount of SFA  
Program assistance the student did not earn and those  
funds must be returned.

- \* Recalculation is based on the percent of earned aid  
using the following formula:
  - Percent earned = Number of days completed up  
to the withdrawal date\*/total days in the semester.
- \* Federal financial aid is returned to the federal gov-  
ernment based on the percent of unearned aid us-  
ing the following formula:
  - Aid to be returned = (100% - percent earned) X  
the amount of aid disbursed toward institutional  
charges.

Institutions are required to return SFA funds on behalf of  
recipients in the following order:

1. Unsubsidized Federal Stafford Loans
2. Subsidized Federal Stafford Loans
3. Unsubsidized Federal Direct Stafford Loans
4. Subsidized Federal Direct Stafford Loans
5. Federal Perkins Loans
6. Federal PLUS Loans
7. Direct PLUS Loans
8. Federal Pell Grant
9. Federal SEOG
10. Other Title IV Assistance

In determining the amount of funds the student must re-  
turn, the formula is as follows: Amount of Unearned Title  
IV Aid - School's Responsibility = Student's  
Responsibility.

Students must return funds in the following order:

1. Unsubsidized Federal Stafford Loans\*
2. Subsidized Federal Stafford Loans\*
3. Unsubsidized Direct Stafford Loans\*
4. Subsidized Direct Stafford Loans\*
5. Perkins Loans\*
6. Federal PLUS Loans\*
7. Direct PLUS Loans\*
8. Federal Pell Grant x 50%
9. Federal SEOG x 50%
10. Other Title IV Assistance

\* In accordance with terms of promissory note.

When aid is returned, the student may owe a bill to  
NIACC. The student should contact the Business Office  
to make payment arrangements.

**Examples of Title IV Refund Policy**

*Example #1:*

Student withdraws on the 25th day after the start of the semester which is 109 days long, student earns 22.93% of his/her federal aid. 77.07% of federal aid is considered to be unearned. The unearned amount must be repaid to loan and/or grant programs.

Student received a Pell grant of \$1500 for the semester and is charged \$1000 for tuition and fees. On the 21st day, the student received a cash refund of \$500 for Pell grant that exceeded his/her cost. On the 25th day, the student officially withdraws from all classes.

$\$1000 \times 22.93\% = \$229.30$ , the amount the college can apply to charges.

$\$1000 \times 77.07\% = \$770.70$ , the amount the college must return to the federal government.

According to NIACC's Tuition Refund policy, the student is not entitled to a refund of charges.

Charges .....	\$1000.00
Earned aid .....	<u>-343.95</u>
Adjusted balance due .....	\$656.05

Pell cash refund unearned = \$385.35 of which the student must return 50% or \$192.68.

Total amount student will owe = \$848.73 (\$656 to NIACC for uncovered tuition and fees and \$192 of unearned cash refund to the U.S. Department of Education.

*Example #2:*

Student stops attending all classes and fails to notify the Registrar's Office. When the college determined that the student ceased attending all classes, NIACC asks instructors for the last date of attendance. When this documentation is gathered, NIACC will use this date as the student's unofficial date of withdrawal, if it is later than the 50% point of the semester. Assuming that the 50% point is used, the student will have earned 50% of his/her aid and the other 50% is considered unearned and must be repaid to the loan and/or grant programs.

The student received a Pell grant of \$1500 for the semester and was charged \$1000 for tuition and fees. On the 25th day he/she received a cash refund of \$500 for Pell grant that exceeded their cost. The student stopped attending all classes but did not officially withdraw.

$\$1000 \times 50\% = \$500$ , the amount the college can apply to charges.

$\$1000 \times 50\% = \$500$ , the amount the college must return to the federal government.

According to the NIACC Tuition Refund policy, the student is not entitled to a refund of charges.

Charges .....	\$1000
Earned aid .....	<u>-500</u>
Adjusted balance due .....	\$500

Pell cash refund unearned = \$250. Student must repay one-half of this amount or \$125.

Total amount the student will owe = \$625 (\$500 to NIACC for uncovered tuition and fees and \$125 of unearned cash refund to the U.S. Department of Education.)

If a student owes a repayment of grants to the U.S. Department of Education, they will remain ineligible for federal aid until they resolve their repayment. Students will have an opportunity to resolve the overpayment by contacting the NIACC Business Office within two weeks of receiving notice and making payment arrangements.

\* In determining the withdrawal date of the student, NIACC's policy will be:

- The date that the student began the withdrawal process by completing a Student Withdrawal Form with assistance from a counselor/advisor and submitting to the Records Office for withdrawal;
- The date that student otherwise provided official notification to the school of the intent to withdraw; or
- If the student did not begin the withdrawal process or otherwise notify the school of the intent to withdraw, the midpoint of the payment period for which the financial aid assistance was disbursed or a later date documented by the school.

If the school determines that a student did not begin the withdrawal process or otherwise notify the school of the intent to withdraw due to extenuating circumstances, the school may determine the appropriate withdrawal date.

**CLASSIFICATION OF STUDENTS**

**Freshmen** - a student who has earned less than 27 semester hours of credit toward the completion of an associate degree; a student enrolled in a one-year career program or certificate program; or a student who has not yet enrolled in the second year of a program.

**Sophomore** - a student who has earned 27 or more semester hours toward the completion of an associate degree; or a student enrolled in the second year of a program.

**Full-time** - a student registered for 12 or more semester credits.

**Part-time** - a student registered for 11 or fewer semester credits.

Students shall also be classified as resident (in-state) or nonresident (out-of-state)

**CREDITS AND GRADING**

**1. STUDENTS FROM ACCREDITED COLLEGES AND UNIVERSITIES**

Credit will be granted for courses taken at colleges or universities accredited by the North Central Association of Colleges and Secondary Schools or

similar regional associations. Each student shall submit an official transcript to the Admissions Office bearing the original seal of records from each college or university the student has previously attended. Generally, credit will be awarded for courses in which the student has earned a grade of "C" or better.

**2. STUDENTS FROM NONACCREDITED COLLEGES**

NIACC may recognize credit from a nonaccredited college or may admit the applicant on a provisional basis and provide a means for the validation of some or all of the credit. The validation period shall not be less than one semester and will ordinarily be a full academic year. NIACC will specify to the student the terms of the validation process at the time of provisional admission. The Registrar will evaluate the transfer credits.

**3. TRADE/TECHNICAL CREDIT**

Generally, NIACC does not recognize credit from a trade or technical college.

**4. ACCEPTANCE OF CREDIT**

- a. Acceptance of credit by NIACC does not guarantee acceptance at other colleges.
- b. Accepted transfer credit will be entered on the NIACC academic record after the student has completed course work at NIACC.

**5. ARMED SERVICES CREDIT**

Credit may be granted for valid educational experiences received in the Armed Forces. Credit will be considered on the same basis as that followed in accepting transfer credit. *A Guide to the Evaluation of Education Experiences in the Armed Forces* will be used to aid in evaluation. NIACC uses the course evaluation/recommendation provided by American Council on Education (ACE). For further information, contact the Registrar's Office in Student Services.

**Grading**

The quality of your work is evaluated by the grades you receive. They are a measure of your learning experience. Grades are also the basis for transfer to another college. Generally, a student is not considered admissible by a four-year college without at least a cumulative grade point average of 2.0. To achieve your academic goal, it is important that you develop good study habits at the beginning of your stay at NIACC.

<u>Grade</u>	<u>Grade Points</u>
A .....	4.00
A- .....	3.67
B+ .....	3.33
B .....	3.00
B- .....	2.67
C+ .....	2.33
C .....	2.00
C- .....	1.67
D+ .....	1.33
D .....	1.00
D- .....	.67
F .....	.00

I -The incomplete grade (I) is used when the instructor believes there is a reasonable chance the student can and will make up the work within a reasonable time frame and the student has been doing satisfactory work in class. An incomplete grade, if not made up within the instructor guidelines, will become an F one year after the end of the term.

W-The letter W will be given when a student officially withdraws from class(es).

**Other Symbols:**

- X - Course repeated
- N - Audit
- T - Credit granted by examination (test out)
- L - Credit granted for experiential learning
- Q -No credit/no pass (used in pass/no pass courses only)
- O -Grade requital (to be used only when Fresh Start is granted)
- P - Credit earned/pass

**Policy for Grades Earned in Repeated Courses**

Grades earned in courses which have been repeated will be administered and interpreted according to the following guidelines:

- 1. Grades earned in all registrations will be recorded on the permanent transcript.
- 2. In computing the cumulative grade point average for graduation, only the most recent grade earned in a course which has been repeated will be used.
- 3. For purposes of satisfying a prerequisite, the most recent grade earned in a course will be used.

**Grade Point Average**

The grade point average is determined in the following manner:

- 1. Multiply the number of grade points equivalent to the letter grade received in each course by the number of credit hours attempted for the course to arrive at the quality points earned in each course.
- 2. Divide the sum of quality points by the total number of credit hours attempted. The quotient represents the grade point average (GPA) for the term.

The cumulative grade average is determined in the same manner as the grade point average, except that all of the student's work at the college is taken into account. Note: Developmental courses are not used in calculating the cumulative grade point average for graduation.

**Grades and Reports**

Midterm reports covering the work for the first half of each term will be available to all students. These reports are not recorded on the student's permanent record. Official reports showing final grades will be issued to all students at the close of the term and these will be recorded on the student's permanent record.

**CREDIT BY EXAMINATIONS**

1. **PROFICIENCY EXAMINATION:** Examinations are available for individual courses allowing students the chance to test out of courses in certain programs with permission of the faculty responsible for teaching the course.
2. **ADVANCED PLACEMENT PROGRAM:** High School students may earn credit through the Advanced Placement Program. Students must achieve scores of 3, 4, or 5 in order to qualify. Individual divisions may require additional documentation.
3. **COLLEGE LEVEL EXAMINATION PROGRAM (CLEP):** CLEP is a means of gaining credit through examination.

CLEP has two forms. General examinations measure college level achievement in the basic areas usually covered in the first two years of college. These areas are considered the general or liberal education requirements.

The second form is the Subject Examination. These measure achievement in specific college courses and are used to grant exemption from the credit for these courses.

CLEP tests are administered by appointment on the NIACC campus. A maximum of 30 semester hours of credit are allowed for CLEP General Examinations or a combination of General and Subject Examinations.

CLEP credit will not be awarded for courses already successfully completed. Credit is awarded after a student has successfully completed a minimum of 12 semester hours of work.

**RESIDENCY POLICY GUIDELINES**

The following guidelines shall be utilized for the purpose of determining the residency status of students (i.e. re-classification of non-resident students).

1. Students shall complete the appropriate "request for residency form" for classification as a resident of the State of Iowa, thereby establishing in-state tuition and fee charges.
2. Students shall submit the "request for residency form" to the Office of the Registrar.
3. Students requesting residency status shall submit documentary evidence of an established domicile within the State of Iowa.\*

The student shall submit any three of the following:

- a. An Iowa drivers license
- b. An Iowa vehicle registration

- c. Evidence of ownership of Iowa property
- d. An Iowa income tax return
- e. A voter's registration card for the State of Iowa (by county)

- g. Other similar indicia.

4. Copies of the documentary evidence shall be attached to the "request for residency form."
5. Students will be notified as to the approval or denial of their request for residency status by the Office of the Registrar prior to enrollment in the term for which residency status is sought.
6. The "request for residency form" and documentary evidence shall be filed in the Records Office.
7. Students may appeal the denial of residency status to the standing Residency Review Committee.

\*Classification of residency status may be obtained by students who are not of majority age (at the time of application) through evidence submitted by the student's parent(s) or legal guardian(s).

Reclassification of residency status is not retroactive. International students cannot establish residency while studying in this country on a temporary visa.

Artist workshops, field trips, social events, business meetings, and student exhibits are organized monthly by members. An annual spring bus trip to the Art Institute of Chicago gives you an opportunity to view internationally recognized art. Cash awards to deserving students are sponsored by the Club during the annual Iowa Student Competition.

### ***Cooperative Education Program***

North Iowa Area Community College provides an educational program in which a student has the opportunity to blend theory and practice by combining classroom learning with planned and supervised field experience.

Cooperative Education is a concept which incorporates academic work with employment experience to provide a more meaningful and valuable total experience for the college student. Credit is granted for the field experience in Cooperative Education. Students may earn up to 5 credits per term and apply 12 credits toward an associate degree. Appropriateness of learning objectives is an essential feature in the approval for credit process. For further information, contact the Employment and Career Services Office at 641-422-4370.

## ACADEMIC/ DISCIPLINARY POLICY

### Fresh Start

A. Please read the following sections carefully before deciding if a “Fresh Start” is right for you at this time.

1. The “Fresh Start” program is intended for students who change to a new program of study after receiving unsatisfactory grades in a previous program or for students who have performed poorly at NIACC. It allows the student cumulative grade point average (GPA) to be recomputed.
2. The “Fresh Start” is a one-time-only option. If a student experiences difficulty in a new program or subsequent semester, he/she may not apply for a second “Fresh Start.”
3. The student must be currently enrolled in credit classes at North Iowa Area Community College pursuing a degree, diploma, or certificate, and have successfully completed a minimum of 12 credits with a term grade point average of 2.00 or better and a 2.00 cumulative grade point average excluding the Fresh Start semester(s).
4. “Fresh Start” may span a maximum of two consecutive semesters of college credit courses. Students may not choose specific classes to be waived. **All courses** within the requested fresh start term would be amended, if approved.
5. Courses are not removed from the transcript by a “Fresh Start.” If a “Fresh Start” is approved, all courses in the approved term(s) will receive the grade symbol “O” for grade requital. Grades earned for the term(s) specified in the request will not be included in the computation of the student’s cumulative grade point average.
6. Students may petition for a “Fresh Start” for courses taken at least three years prior to the time of appeal.
7. Since the “Fresh Start” program is a North Iowa Area Community College policy only, it will generally not affect decisions made by grantors of financial aide or athletic eligibility or transfer institutions. Such outside agencies may still consider the complete transcript, not just the “Fresh Start.”

B. If you decide that you wish to pursue a “Fresh Start” in view of the previous information, or if you are not yet certain if this is the right option for you at this time, you may request a transcript from the Records Office and make an appointment to meet with a counselor or advisor to discuss this matter.

C. When you have obtained your transcript and written your letter of appeal addressing your previous situation and how that situation has changed so that you will be more successful academically, meet with the counselor or advisor. He/she will be able to look at

your records and your letter to go over the process with you to help you decide if you should proceed with the “Fresh Start.” If you decide not to proceed, no further action is required.

D. If you decide to proceed with the “Fresh Start” petition, the counselor or advisor should complete Section II of the petition. The counselor should sign and date this section.

E. The complete petition should be sent to:

Registrar  
North Iowa Area Community College  
500 College Drive  
Mason City, IA 50401

F. The Records Office will proceed as follows when the decision is received:

1. Amend the student’s academic record based on the semester(s) indicated by the decision. The grades for the appropriate semester are amended to an “O” meaning grade requital which automatically is not calculated in degree audit.
2. Add the comment line, “Fresh Start Term,” after the appropriate semester(s) on the academic transcript.
3. Retain documentation of the decision in the Records Office for at least five years.

G. The student has the right to request reconsideration of the decision. Such an appeal must be made in writing to the Vice President for Student Services within thirty (30) days after the decision was communicated to the student. If the student wishes to appear in person before a Committee to support his/her request, the student should indicate that fact in the letter.

## Technology Policy

### 1. Introduction

The technology facilities and services provided by North Iowa Area Community College, including computing, telecommunications and media services, are primarily intended for teaching, learning, student support, and administrative purposes. NIACC encourages staff to make appropriate and innovative use of such resources to further their learning. The use of technology and information resources is governed by all applicable College faculty, staff, and student policies as well as applicable federal, state, and local laws and statutes. It is not the intent of NIACC to provide access to technology and information resources for alumni, the general public, or for private use.

NIACC provides a number of computer labs to the general College population for course work and related educational endeavors. In addition, students enrolled in credit classes are offered a temporary personal Internet account, renewable each semester they are enrolled at NIACC. The policies outlined here apply to the use of these accounts.

### 2. Staff Access to Institutional Data

The value of data as an institutional resource is increased through its widespread and appropriate use; its value is diminished through misuse, misinterpretation, or unnecessary restrictions to its use.

Access to NIACC institutional data - the permission to view or query institutional data - should be granted to all eligible employees of NIACC for legitimate College purposes. Network accounts (Usernames) will be administered by NIACC Technology Services for all staff.

Data users will be expected to access institutional data only in their conduct of College business, to respect the confidentiality and privacy of individuals whose records they may access, to observe any ethical restrictions that may apply to data to which they have access, and to abide by applicable laws and policies with respect to access, use, or disclosure of information. Expressly forbidden is the disclosure of limited-access or internal institutional data or the distribution of such data in any medium except as required by an employee's job responsibilities. Also forbidden is the access or use of any institutional data for one's own personal gain or profit, for the personal gain or profit of others, or for political purposes.

Personal usernames and passwords should not be shared or used by another person. Violators will be subject to disciplinary action. Computer resources - both hardware and files stored on computers or servers are considered to be the property of the College.

### 3. Copyright

NIACC recognizes and adheres to U.S. and International copyright laws, software licenses, and intellectual property rights associated with both print and non-print materials.

NIACC forbids, under any circumstances, the unauthorized reproduction of software, or use of illegally obtained software. Using College equipment to make illegal copies of software is prohibited. NIACC employees and students who violate this policy are subject to disciplinary action. Individuals who violate U.S. Copyright law and software licensing agreements also may be subject to criminal or civil action by the owner of the copyright.

### 4. Internet Access

The Internet is an electronic communications system connecting millions of computers and individual users from all over the world. Internet access is coordinated through a complex association of government agencies, state, and regional networks. Smooth operation of the network relies on the proper conduct of all of its end users.

With access to computers and to people from all over the world, it is possible that users may access materials that might not be considered to be of educational value, may be controversial, offensive, or inaccurate. Any and all access and use of information or materials obtained via the Internet is at the users own risk. NIACC does not accept any responsibility for the accuracy and/or quality of information obtained through its Internet services.

It is expected that each NIACC employee and student will follow ethical and professional guidelines and abide by College policies when using College computer equipment and services to access the Internet.

### 5. E-Mail

Electronic mail or E-mail accounts will be available to all NIACC staff, students enrolled in credit classes, and in certain circumstances temporary accounts for students in Continuing Education classes. E-mail can be used internally for campus communications or via the Internet for electronic communications around the world. Appropriate use of E-mail for College-related activities will be expected. While electronic messages being sent or stored on networks or servers will be considered by NIACC to be private communications and the responsibility of the staff member or student, users should be aware that it is possible for a hacker or a network administrator at any point along the worldwide Internet communication path to intercept and view documents. NIACC will not be held liable for individual use of electronic mail or use of the Internet.

Development of Web Home Pages will be encouraged by NIACC departments, staff, and students (as part of an instructional activity), and should be maintained by each to remain current, accurate, and to appropriately represent the College. NIACC will recommend standards for NIACC Web pages on the Internet, but will not be liable for the content of personal web pages.

**7. Responsible Use:**

Respect the rights of others by complying with all College policies. Remember that you are representing the College in all of your communications.

Use only computer IDs or accounts and communications facilities which you are authorized to use, and use them for the purposes for which they were intended. Do not let others use your Username or password.

Students will be responsible for maintaining their own files that are stored on network drives including deleting files no longer in use, and copying files that they want to save to removable media (diskettes).

Staff will be responsible for maintaining their own files that are stored on network drives including deleting files no longer in use. Do not use up valuable network storage resources with unnecessary and outdated files.

**Grade Appeal Process**Introduction

The following procedures are available for review of alleged capricious grading, and not for review of the judgement of an instructor in assessing the quality of a student's work. Capricious grading as the term is used is defined as one or more of the following:

1. the assignment of a grade to a particular student on some basis other than the announced standards for the course;
2. the assignment of a grade to a particular student by more exacting or demanding standards than were applied to other students in that course;
3. the assignment of a grade by a substantial departure from the instructor's standards announced during the first part of the term.

The assessment of the quality of a student's academic performance is one of the major professional responsibilities of College faculty members and is solely and properly their responsibility. It is essential for the standards of the academic programs at North Iowa Area Community College and the integrity of the certificates, diplomas, and degrees conferred by this College that the professional judgements of faculty members not be subject to pressures or other interference from any source.

It is necessary, however, that any semester grade be based on evidence of the student's performance in a course, that the student have access to the evidence, that the instructor be willing to explain and interpret the evidence to the student, and that a grade be determined in accordance with announced guidelines. These guidelines should be announced in each class within the first quarter of the semester term.

At any time, a student may seek the assistance of a counselor from Student Services regarding the procedure in appealing alleged capricious grades or the merits of a particular case.

#### Appeal Procedures

A student who believes a semester grade is capricious may seek clarification and, where appropriate, readress as follows:

1. The student shall confer with the instructor, informing the instructor of questions concerning the grade, and seeking to understand fully the grounds and procedures the instructor has used in determining the grade. The aim of such a conference is to reach mutual understanding about the grade, the process by which it was assigned, and to correct errors, if any, in the grade.
2. If, after consultation with the instructor, the student believes that a grade is capricious, the student shall confer with the division chair, who shall consult and advise with both the instructor and student separately or together, in an effort to reach an understanding and resolution of the matter.
3. If steps one or two do not resolve the problem, the student may submit a petition in writing to the Academic Appeals Committee. This petition must be submitted through the Vice President for Student Services not later than the end of the fourth week of the following semester, excluding the summer terms. For students involved in programs where the grade will not allow progression, a revised time plan may be developed so the appeal can be heard prior to the next semester.
4. On the basis of a consideration of the student's petition, the instructor's response, and interviews by the chairperson of the Academic Appeals Committee with the student and the instructor, the Academic Appeals Committee shall conduct an inquiry which may include a meeting with the student and the instructor separately or together and ascertain and consider relevant facts.

The Committee should make one of the following decisions:

- a. That the grade was not assigned capriciously and shall stand as assigned.
- b. That the grade may have been assigned capriciously and merits further consideration.

The committee shall, as a result of its consideration, recommend an appropriate grade.

5. The decision of the Academic Appeals Committee will be communicated to the student by the chairperson of the committee.
6. If the student does not accept the decision of the Academic Appeals Committee, the appeal will then be forwarded to the Vice President for Academic Affairs for review. The Vice President shall review the case and shall make one of the following decisions:
  - a. Acceptance of the Academic Appeals Committee decision.
  - b. Request for the Academic Appeals Committee to reconsider its decision.

The Vice President for Academic Affairs shall review the case and consult with the instructor and the student either individually or collectively. On the basis of the review and the consultation, the Vice President for Academic Affairs (a) may direct the instructor to make the grade change and that decision shall be final, or (b) may request the Academic Appeals Committee to reconsider its decision. After a reconsideration by the Committee, its recommendations regarding the student's grade is final. Should the reconsideration of the Academic Appeals Committee involve a change in grade, the Vice President for Academic Affairs shall direct the instructor to make the grade change. In the event the instructor declines to make the grade change, then the Vice President for Academic Affairs shall authorize the Registrar to make the grade change, and such a decision shall be final.

7. If the student does not accept the decision of the Vice President for Academic Affairs, the student may choose to appeal to the President of the College.

**NOTE:** At all points of decision, the student, the instructor, the division chair, and any parties involved shall be notified promptly and no later than one week after each decision has been reached.

#### Composition of Academic Appeals Committee

The committee shall consist of two full-time staff members, one division chair, one Student Services staff member, and two full-time students selected by the College's Student Senate. The committee will be chaired by the Vice President for Student Services. If a faculty committee member is the instructor whose assignment of a grade is being appealed, then the Vice President for Academic Affairs will appoint a substitute faculty member to the committee in place of that instructor. If

a student committee member is appealing a grade, then the majority of officers of the Student Senate will select an alternate student committee member.

### **Library**

The role of the NIACC Library is to support the curriculum and to provide resources and services to meet the needs of students, faculty, and area residents.

The Collection contains 26,000 general volumes, 4,000 reference volumes, 15,000 nonbook media items, and 47,000 government publications. Subscriptions include nine national newspapers, 33 NIAD area newspapers, and 380 periodicals with ten-year holdings of most titles. Also available are files containing up-to-date pamphlets, career information, and social concerns materials.

A professional staff of two full-time librarians and one part-time librarian, assisted by three full-time assistants, and four student assistants provide service for all patrons. The library staff will provide assistance at any time. Library orientation sessions are offered at the beginning of each semester to inform students of library resources, policies, and procedures. A library handbook is also available.

A typewriter and various types of audiovisual equipment are available for use in the library. Copying services are provided at a minimal cost.

The library is connected by computer to over 18,000 libraries across the country via the OCLC interlibrary loan system. This brings the libraries of the United States to NIACC students. A number of health-related databases are searchable through the Iowa Health Information Network. The library subscribes to several full-text data bases on the World Wide Web, including EBSCO Academic Search, Newsbank Newsfile, and the Encyclopedia Americana. They can be accessed through the library's Web page. CD-ROM databases are available such as the Des Moines Register, ERIC, and various government documents. Several encyclopedias and the Oxford English Dictionary are also available on CD-ROM. Cooperative agreements with other Iowa community colleges and area libraries provide additional sources of information.

Four workstations provide access to Internet resources on the World Wide Web.

The library's on-line public access catalog (OPAC) is available to students from five terminals in the library. The circulation system is also automated.

The library continues to implement the utilization of new technologies to meet the information needs of NIACC students. Future plans include creation of a CD-ROM network to provide access to some of the library's CD-Rom resources via the campus network.

To return materials, place them in the book return bin at the circulation desk. After hours, use the book drop in the corridor outside the library.

**Identification Cards**

Your identification card, (I.D.), must be presented to the desk attendant each time you check out any library materials. Before checking out items the first time, a library staff member will add a barcode to your I.D. and activate your account. **IMPORTANT: YOU ARE RESPONSIBLE FOR ALL MATERIAL CHECKED OUT ON YOUR I.D. CARD.**

Report the loss of an I.D. card to the circulation desk immediately; however, the library does not assume responsibility for material checked out on lost cards.

Please purchase all needed textbooks by the end of the third week of each semester. The Bookstore will begin returning unsold books to the publishers at that time.

**Protect Your Books!**

Once you know you are keeping your textbooks, mark them in some manner so you can identify them if they are lost or stolen. (For example: Put your name in the margin of a particular page of each textbook.)

**Parking and Security**

The Board of Directors of North Iowa Area Community College has adopted parking and traffic regulations in order to: (a) maximize pedestrian and vehicular safety; (b) ensure access at all times for ambulances, fire-fighting equipment, and other emergency vehicles; (c) make the parking facilities of the college available equitably to all of its members. Students are expected to know and comply with state motor vehicle laws and the traffic parking regulations of the college.

NIACC security patrol the parking lots. Security will ticket cars parked in violation. The Mason City Police Department is authorized to enforce parking regulations regarding fire lanes and handicapped parking.

NIACC reserves the right to remove a parked vehicle when it is in violation of regulations without prior notification and at subject's expense.

Physically handicapped persons parking in spaces designed for the handicapped must display a State of Iowa Handicapped Parking Permit. Information for permits may be obtained from the Vice President for Administrative Services.

## EMERGENCY PROCEDURES

### General

1. The safety and welfare of students, visitors, and staff is important to the institution. It is each individual's responsibility to engage in the cooperative effort required to establish and maintain a safe environment.
2. Students should become familiar with the buildings in which they have classes and locate the following:
  - a. Emergency exits
  - b. Fire pull stations
  - c. Fire extinguishers
  - d. Tornado shelters

### Reporting

1. All serious illnesses and injuries should be reported immediately to an instructor or an administrator. This will be followed by the reporting student's participation in completing an accident report form.
2. Accident report forms are filed with the Business Office.
3. In the event of a serious accident or critical illness, the affected student's immediate family may be notified by the President or a designee.
4. Recognizing the student's right to privacy, public media information pertaining to serious or major accidents will be handled through the Community Relations Office.
5. Any crime on campus or violation of the Student Conduct Code should be reported to the Vice President for Student Services.

### Fire

1. In case of fire, notify an instructor or administrator. If neither are immediately available, sound the building alarm system by use of the nearest pull station.
2. When the fire alarm is sounded, evacuate the building immediately in a calm and orderly manner. Do not assume a false alarm when the fire alarm system is sounded. The fire alarm system is used for fires only.
3. Make sure you move to a point at least 300 feet from the building. Do not return to the building until permission is granted by appropriate personnel (police, fire, or NIACC staff in charge at the scene).
4. Assist disabled students in evacuating the building.

### Tornado

1. It is important to know the following:
  - a. Tornado Watch - Conditions are such that a tornado could develop.

b. Tornado Warning - Sirens Sound - A tornado has been sighted. Seek shelter immediately.

2. Each building is equipped with a Civil Defense Indoor Warning Radio. When a watch is issued, the person monitoring the civil defense radio will notify staff in that building of the watch and the time period involved. Continuing Education monitors the civil defense radio during the evening hours and notifies the evening supervisors, custodial staff, and appropriate personnel of the watch and time period.
3. In the event of a warning, custodial staff and supervisory personnel will notify students in each building.
4. The recommended tornado shelter areas are posted in each classroom.
5. When the tornado siren sounds, immediately go to the designated shelter areas in a calm and orderly manner. Assist disabled students in getting to a designated shelter.
6. In the event you do not have time to reach a designated area, seek shelter in the lowest level of the building, under sturdy objects and against inner walls. Stay out of rooms with large windows, doors, and large roof spans. Crouch into as small a body position as possible.
7. Unless students are already in their cars and leaving the parking lot, they should not make an attempt to drive away from the tornado. A traffic jam at Highway 18 or 12th Street could cause more bodily injury than seeking shelter on campus or in a ravine. A car is not a safe place during a tornado.
8. "All Clear" will come from custodial or supervisory staff. The siren is NOT used to sound an all clear. Assist the emergency personnel as requested.
9. Generally speaking, modern concrete reinforced buildings, such as most of those on our campus, are usually not heavily damaged by a tornado. These structures will generally provide relatively safe areas during a tornado, providing students stay away from windows and doors. Safest areas are rooms on ground floor opposite to the approach direction of the tornado. Do not use elevators during severe storms or tornado warnings since electrical power may be disrupted.

### Inclement Weather

The following guidelines will apply to cancellation or delay of College activities in case of hazardous conditions involving weather.

1. Cancellation or Delay of Classes - The decision to cancel or delay classes will be made by the President or a designee. If classes are delayed or canceled, the message will go to the radio and TV stations listed below by 6:00 a.m. No announcement of cancellation or delayed opening via the media by 7:00 a.m. will probably mean that classes will be held as usual that

day. (Sometimes, due to staff availability or changing weather conditions, there may be a delay in making announcements.)

2. Delay of Classes - Students and staff will report to the class normally scheduled for that period of the day and will complete the remainder of the schedule.
3. Community Education Centers - The Garner, Hampton, and Lake Mills Centers and classes are included in the general announcement unless specified differently. The Charles City Center is included in the general announcement of NIACC Mason City campus unless specified differently. The Charles City Center will remain open to serve community groups and receive phone messages even though day classes may be delayed or canceled. If weather conditions warrant, the NIACC Charles City Center may be closed by the President or his designee.
4. Early Dismissal of Classes - Should conditions develop during the day which would dictate that classes be dismissed early, the announcement of such dismissal will be circulated to the buildings by a member of the faculty or administrative staff. Students will not be used to circulate such information. The decision for early dismissal will be made by the President or his designee.
5. On-Campus Evening Classes - Any decision regarding on-campus evening classes (those starting after 6:00 p.m.) shall be made as early as possible with a target time of 3:00 p.m., and cancellation

announcements will be given over area radio and TV listed above.

6. Off-Campus Evening Classes - If the class is held at a K-12 community school site, the decision is made by the local Superintendent of Schools with cancellation announcements initiated by him/her. If he/she closes the K-12 system, NIACC classes held in that community are likewise to be considered canceled.
7. Special Events and Auditorium Events - Such events will not be included in the general announcement issued by the College unless specified. Sponsoring organizations will be responsible for announcements of cancellations. EXCEPTION: If it is announced that the campus is closed, all activities are canceled.
