Note: Please check with transfer institution for their specific requirements and check with a NIACC counselor/advisor for further transfer planning.

Class requirements for various transfer institutions can be very different for the athletic training major.

E.g.: **BIO-202 is needed @ University of Iowa; MAT-121,-128,-140 or -210 needed @ ISU, can also take BIO-151 @ NIACC to satisfy ISU's FS HN-167.**

*Appropriate math level needed before enrolling in any math class. See NIACC catalog for course placement information.

- AA Degree meets the General Education Requirements for the College of Liberal Arts at most transfer institutions. An AS Degree may be sufficient for this major -- confirm appropriateness with your transfer institution.
- Check with transfer institution for Foreign Language & Diversity Requirements.
- Admission requirements vary from institution to institution. This major is generally a competitive admission program that requires an application and prerequisites for selective admission.
- Suggested schedule dependent on entry level of student.
- **Many transfer institutions recommend transfer after 1 year.** If a student chooses to transfer after Freshman year, he/she will need to decide which classes are preferred to complete at NIACC.
- Clinical experience is an essential requirement of this major. Check with your transfer institution for information on "allowable" clinical sites and experience.
