

Skills Training Modules

I		II		III		IV		V		VI		VII	
General Knowledge & Job Safety		Concrete Formwork		Framing		Exterior Finish		Interior Finish		Interior Systems		Connected Job Skills	
A. Industry Orientation	B. Safety & First Aid	A. Building Layout	B. Footing & Foundation Forms	A. Wall Framing	B. Wall Layout, Plating & Detailing	A. Door & Window Units	B. Wood, Metal & Plastic Siding	A. Drywall	B. Paneling	A. Insulation & Sound Control	B. Metal Stud Walls, Soffits, Ceilings	A. Scaffolding	B. Rigging, Material Hdlg & Storage
C. Basic Hand Tools Use & Safety	D. Basic Power Tools Use & Safety	C. Column & Pier Footing Forms & Pile Caps	D. Wall Form	C. Floor Framing	D. Ceiling Framing	C. Cornice Construction	D. Porches, Decks & Fences	C. Door Hanging & Pre-hung Door Units	D. Standing & Running Trim	C. Metal Jamb & Window Units	D. Patented Partition Systems	C. Level Transit	D. Laser
E. Blueprint Reading	F. Mathematics	E. Flatwork / Slab Ongrade Forms	F. Curb & Gutter Forms	E. Gable & Gambrel Roof Framing	F. Hip Roof Framing	E. Roofing	F. Overhead Door Installaion	E. Cabinet & Countertop Installations	F. Locksets, Closers, Stops & Exit Hdw. Inst.	E. Office Furniture	F. Acoustical Ceilings	E. Arc Welding	F. Cutting & Burning
G. Const. Materials, Fasteners & Hdw.		G. Patented Formwork	H. Tilt-up & Pre-cast Forms	G. Intersecting Roof Framing	H. Dormers & Other Roof Framing			G. Plastic Lam. & Sol. Surf. Materials Installation	H. Millwork Installations	G. Pedestal Floors			
		I. Column Forms	J. Beam & Girder Forms & Shoring	I. Trussed Roof Framing	J. Stairway & Stairwell Framing			I. Wood Floors	J. Cabinet Fabrication				
		K. Deck & Edge Forms & Shoring	L. Stair Forms	K. Canopy, Soffit & Overhang Framing	L. Heavy Timber & Glu-Lam Const.								
		M. Bridge Deck Forms & Related Supports		M. Residential Metal Framing
