**Transition
Workshop**
Transitioning from
High School to College

July 31, 2008

Tel: 888.GO NIACC, ext. 4296

This workshop is designed for high school students with disabilities who are entering their junior & senior year of high school, incoming college freshmen, parents, along with counselors, teachers and administrators who work with students with disabilities.

During the Transition Workshop participants will:

1. Obtain practical knowledge of disability rights and responsibilities in higher education.
2. Learn how assistive technology can aid in accessing and managing material at school & work.
3. Increase self-advocacy skills.
4. Learn about campus & community resources.

And much more...
