

## Mercy Medical Center of North Iowa: Exploring Health Careers. A partnership between:

**Who:** 11<sup>th</sup> and 12<sup>th</sup> grade students in the NIACC nine-county region  
Students Register: <http://www.workplacelearningconnections.com/login.aspx?wpm=niacc>

**What:** Health career professionals from throughout the hospital will come to auditorium to talk with students about their chosen health career. They will address a number of topics including what skills and education is necessary for this profession, what they like, what they do, and they will answer questions. If possible, students may be able to tour one or two areas of the hospital.

**Why:** Learn about health careers and opportunities in health career pathway  
Make informed education and career decisions  
Develop connection with Mercy Medical Center

**Where:** Mercy Medical Center North Iowa Auditorium

**When:** Wednesday, May 13, 2015 9:00 a.m. - 2:30 p.m.

**Health Careers Explored:** (Careers listed represent careers usually explored, but can be subject to change.)

Pharmacy	Respiratory Therapy
Phlebotomy	Flight Paramedic/Emergency Dept.
Sterile Processing	Physical Therapy
Medical Assistant	Physician Assistant
Nutrition Services/Dietitians	Radiology Lab, Core, Micro and Histology
