Motorcycle Rider Course - \$150

Learn how to operate a motorcycle safely, with emphasis on the special skills and mental attitude necessary for dealing with traffic. In the classroom, you'll learn about the different types of motorcycles, their controls, how they operate and how to become a responsible rider. After a thorough review of your motorcycle controls, you will move to the outdoor riding range and your RiderCoach will start you off with straight-line riding, turning, shifting and stopping. You will gradually progress to cornering, swerving and emergency braking. Friday 6pm – 10pm, Saturday and Sunday 8am – 5pm
