

Curriculum and Learning Tools for WorkKeys® and the Career Readiness Certificate (NCRC/CRC)

Step up to KeyTrain get real results in skill building for WorkKeys and NCRC Skills

KeyTrain is the complete interactive training system for career readiness skills, based on ACT's WorkKeys® assessment system and the National Career Readiness Certificate.

The National Career Readiness Certificate is the national standard in certifying workplace skills. Requested and required by employers across the nation, the Certificate allows individuals to demonstrate their level of skill in the most common skills required for success in the workplace.

KeyTrain is the complete interactive learning tool for career readiness skills. At its foundation is a targeted curriculum written specifically to help people master the applied workplace skills as defined by the WorkKeys® system. This core curriculum is complemented by diagnostic tools, soft skills curriculum, and a powerful reporting system to form a robust career readiness learning system.

KeyTrain includes:

- Instruction for all levels of WorkKeys and Pre-WorkKeys skills in all WorkKeys skill areas
- 200 lessons in soft skills, or employability skills, such as customer service and work habits skills
- Pre- and post-tests for measuring subject mastery
- Powerful reporting capabilities – standard and custom reports
- Components contextualized in the 16 DOL Career Clusters
- Administrator, instructor, and student views

And much more!

KeyTrain drives RESULTS!

Contact us or see www.keytrain.com for more information about how KeyTrain is producing results in skill building not only on WorkKeys across the country.
