Partners in Education

North Iowa Area Community College does not discriminate on the basis of race, religion, color, creed, sex, sexual orientation, gender identity, marital status, national origin, age, physical or mental disability in granting admission to and participation in its educational programs, college activities and services, or in its employment practices.

Important Information

Adding or Dropping Courses:

Changes in registration must be initiated by the student and the high school counselor. Changes become effective on the date the schedule change form is received in the NIACC Registrar's Office. If a student finds it necessary to withdraw from all courses, a withdrawal form must be processed. Failure to initiate the procedure will result in "F" grades.

Cancellation of Enrollment:

If the student chooses not to attend classes, please notify your high school counselor before the first day of the semester to cancel. Failure to attend class once enrolled does not cancel enrollment.

Midterm & Final Grade Reports:

Midterm and final grade reports are available to students by logging into MyNIACC located at www.niacc.edu.

NIACC Career Link
Opportunities

NORTH IOWA AREA COMMUNITY COLLEGE

What is Career Link?

Local high schools and NIACC have formed a partnership to offer high school students opportunities to earn college credit while still in high school. Students usually begin the program during their junior year and may continue during their senior year.

Career Link combines hands-on technical training with academic courses. Students take courses to meet high school graduation requirements as well as requirements for two-year and four-year college degrees.

- Receive high school and college credit at the same time.
- Develop higher order thinking and problem-solving skills.
- Allow students an idea of what college coursework is like.
- Ease the transition from high school to college.
- Provide opportunity to complete general education courses required by most colleges and universities.
- Enter the workforce with marketable skills.

WHAT COURSES ARE AVAILABLE TO ME?

GENERAL EDUCATION/ TRANSFER OPTIONS:

COMMUNICATIONS

SPC-122	Interpersonal Communication	3
