Athletics Participation

A participant is a student, who, as of the day of a varsity team's first scheduled contest: (a) is listed on the varsity team's roster; (b) receives athletically related students aid; or (c) practices with the varsity team and receives coaching from one or more varsity coaches. Any student who satisfies one or more of the criteria above is a participant, including a student on a team the institution designates or defines as junior varsity, freshman, or novice, or a student who is withheld from competition to preserve eligibility (i.e. a redshirt), or for academic, medical, or other reasons. Student-athletes who participate in more than one sport are counted in each sport.

Head Coaches' Assignments

These tables list the number of head coaches assigned to each team, whether that coach is a male or female, whether that coach is assigned to that team on a full-time or part-time basis, and whether that coach is a full-time or part-time employee of the institution. The table includes paid coaches, volunteer coaches, interns, and graduate assistant coaches. For the purposes of this report, the term "Full Time Coaching Duties" means the individual's employment responsibilities at the institution are exclusively those as coach of that team, and only that team, and are consistent with the institution's definition of a full-time employee of the institution or part-time employee of the institution. For purposes of this report, the term "Full Time Employee" means the individual's overall employment responsibilities at the institution are consistent with the institution's definition of a full-time employee although that individual may have responsibilities other than as coach of that team, either within the athletic department or another department of the institution.
