

Fall Schedule

August —December 2021

What is the High School Equivalency Program?

This program will prepare students to take the HiSET exam, Iowa’s approved high school equivalency assessment. The course will also focus on college and career readiness.

Who should attend?

The class is designed for students planning to take the HiSET exam (a preparation class is mandatory prior to testing). Qualified students with high school diplomas are also welcome to take the course to brush up on math, writing, and reading skills.

How do I get started?

Students should attend an orientation prior to enrolling in the course. Once orientation is complete, students can begin the course. Eight hours of study per week is required.

To register or get more information, contact Heather McCleary at 641-422-4278 or Heather.McCleary@niacc.edu
