Names hidden for privacy. You will be able to view your employees' names.

If you see names of individuals **not** employed by your company, please email that information us at business.partnership@niacc.edu, and they will be removed from your list.

After clicking Assign, you will be redirected to the current roster for the course. Here, you will see all employees (from your organization) registered for this class.

Possible Next Steps:

- To add more employees, click **Assign Additional Employee to this Class**. (A)
- To remove an employee, click **Remove** on the line of that employee’s name (B).
- If no changes are necessary, simply log out.
- To print the roster for your records, click **Print Roster**. (C)

Because there is limited seating in classes, please remove any employees you are aware will not be attending.

Step 5: Adding an Employee

Do **not** add an employee in Lumens using the “Add” button.

If you need to add an individual to your list of employees, email the employee’s information to business.partnership@niacc.edu. You will receive an email response once the employee is added. You will then be able to register the employee for the class.

To create an employee record, we need all of the information below:

- Employee’s Full Name
- Employee’s Phone Number
- Employee’s Address
- Employee’s Date of Birth
- Employee’s Email Address (if they have one; strongly recommended, especially for web learners)

Save Time!

Email a list of your employees and their information in advance (to business.partnership@niacc.edu)! This will make enrolling your employees quicker and easier when the time comes.

Step 6: Viewing Class Rosters

Follow Step 3: “Viewing Your Company’s Classes” (Page 5)

Click the radio button to the left of the class for which need a roster.

Select the **View Roster** option. (In drop-down menu not shown here.)
